Canterbury Tales Newsletter

September 9th, 2021

Welcome back!

Canterbury Friend,

We are delighted to have our Canterbury scholars back in the classroom. Students (and teachers!) are quickly acclimating to our school routines. This email "The Canterbury Tales" is our weekly school newsletter and you should expect it each Thursday evening. Expect updates for our school community related to upcoming campus news and events.

Fridays at Canterbury

Each Friday, we have an all-school Chapel from 8:30 to 9:05 AM and typically have a student presentation as part of the service. Parents are welcome to join us for chapel on any day, but many choose to join us on Fridays to see student recitations, the reading of tallies, and other performances. Expect updates from your classroom teacher and here in the Canterbury Tales for when to expect to see your child up front!

We are also excited to bring back our Hot Lunch Fridays and will be serving **pizza** for all students tomorrow. This is included as part of your tuition, so no additional payments are needed. Students may also bring their own lunch if they so desire.

Teacher Commissioning Service this Sunday

At Canterbury, we believe that teaching is a ministry and office of the church and ask for God's blessing on our teachers at the start of each year. You're invited to join us for this annual event as our teachers renew their promises to faithfully teach the Scriptures and live as wholesome examples of Christ for our students. Join us this Sunday (9/12) at 10:30 AM for this hour-long event which is followed by refreshments in the Parish Hall. Please note that face masks are required at all Canterbury events. ([link](#))

Items in Red Folders:

Remember to review items in the red communicate envelope which goes home on Thursday afternoons and be sure to return the envelope on Friday mornings.

1) Get Acquainted Picnic Form (9/25)

We look forward to seeing many of you on campus on Saturday, Sept. 25th for our "Get Acquainted" Family Picnic. Review and return the form sent home. This event is a great time to meet other parents, get to know our entire staff, and encourage one another in our community.

2) City Team Hygiene Kit Drive (9/20-27)

You will also find a flyer regarding the Hygiene Kit Drive with CityTeam. This is a practical way for our students to learn about and participate in "loving our neighbors." We partner with CityTeam because of its mission to serve those suffering from homelessness, hunger, poverty, and addiction with ***God's restorative love.***

They are looking for travel-size soaps, shampoos, toothbrushes, toothpaste, combs, razors, shaving cream, deodorant, feminine products, and hand sanitizer. These can be placed in a large plastic bag and brought to the Canterbury school office from Monday, Sept. 20th through Monday, Sept. 27th--in this tangible way to give back and share God's blessings with others.

In Christ Alone,

Father Macias +
